- Face masks are recommended for everyone ages 2 years and older.
 - A costume mask is NOT a substitute for a cloth mask; a costume mask is not recommended instead of wearing a protective face mask unless it is made of two or more layers of breathable fabric that covers the mouth & nose and doesn't leave gaps around the face.
 - The CDC advises against wearing a costume mask over a protective cloth mask because it can be dangerous if the costume mask makes it hard to breathe. Instead consider using a Halloween-themed cloth mask.
- Participants may remove their face mask while on stage as long as they maintain a social distancing of 12' or more.
