- Face masks are required for everyone ages 10 years and older. Face masks are not required but encouraged for children ages 9 years & younger.
 - A costume mask is NOT a substitute for a cloth mask. A costume mask will not be allowed instead of a protective face mask, unless it is made of two or more layers of breathable fabric that covers the mouth & nose and doesn't leave gaps around the face.
 - The CDC advises against wearing a costume mask over a protective cloth mask because it can be dangerous if the costume mask makes it hard to breathe. Instead, consider using a Halloween-themed cloth mask.
- Participants may remove their face mask only while on stage, as long as they maintain a social distancing of 12' or more.
